**MARKET LEADER  
IN LIFTING EQUIPMENT  
SALES AND AFTER  
MARKET CARE IN  
WEST AFRICA**

Paterson Simons is a UK-based company offering lifting and handling equipment sales and servicing throughout West Africa via subsidiaries in Ghana, Nigeria and Togo.

Incorporated in 1948 the company now has close to 70 years' experience in the procurement of equipment and spare parts for African markets, specialising in materials handling equipment.

## LIFTING SOLUTIONS: THE FULL PACKAGE

Paterson Simons is the official dealer for a range of world-class lifting equipment manufacturers. We service a wide range of sectors across the region: ports & terminals, mining, construction, manufacturing and oil & gas.

Our customers have come to rely on our expertise, as well as our experience in the region, to help them select the right machine and service package for the job.

Our approach is solutions oriented. We challenge ourselves to find a solution or set of solutions that perfectly suits the needs and circumstances of our customers' business by providing a range of services all of which we offer on-the-ground throughout West Africa.

Our Range of Solutions includes:

- New & Used Plant Sales
- Rental & Leasing
- LifeTime Servicing, Inspection and Maintenance Programmes
- Fully Equipped Parts and Spare Parts Warehouses
- Operator Familiarisation and Driver Training
- Equipment Rebuild

**CIT can inspect and certify  
all your lifting equipment,  
and we train operators to all  
international standards.**

## HOIST & RIGGING GEAR

In partnership with Lifting Gear UK, we now also sell a wide range of hoist and rigging gear that can be ordered direct from our catalogue and delivered throughout the region. Ask your sales consultant today.

## THERE WHERE YOU NEED US

In the rigorous African environment maintenance, easily accessible spare parts and experienced technicians are the difference between down-time and profit. Through our local subsidiaries, an on-the-ground team of ex-pat and local factory-trained engineers ensure that our customers' machines continue to deliver, no matter where in West Africa they are.
